Fire Service had washed down area leaving absorbent pads. Service station agent arrived and applied additional absorbent	1	30
9992	17/10/00 07:30:00	Offensive odour from nearby asphalt plant, Tawa.	No odour on arrival at Katarina Grove, Tawa. Walked to nearby asphalt plant, no objectionable odour along the route or on the plant site. No further action	54	97
9993	17/10/00 07:30:00	Offensive odour from nearby asphalt plant, Tawa.	No odour on arrival at Turriff Street, Tawa. Walked to nearby asphalt plant, no objectionable odour along the route or on the plant site. No further action	55	120
9982	17/10/00 16:15:00	Offensive odour from nearby asphalt plant, Tawa.	Complaint not investigated. Logged for records.	56	0
9996	18/10/00 13:35:00	Paint from nearby industrial shop deposited on parked cars the previous day.	A small amount of paint has affected 6 cars in an Elsdon company car park. Material came off easily on gently rubbing. Spoke with owner of adjacent coatings company. Identified spray booth which contained residues of same sparkly material found on cars	1	22
10001	18/10/00 16:10:00	Odour from Otaihanga Landfill, Paraparaumu.	Confirmed odour at rear of property in Killalea Place, Paraparaumu. Representatives from KCDC landfill operations attended, confirmed odour and proposed a plan acceptable to complainant for remediation within a 3 week time frame. No further action	1	5

## Incident Summary for 25 September until 4 November 2000

Complaint Number	Date & Time	Complaint	Summary	Alleged Source Count	First Response (mins)
10002	19/10/00 20:05:00	Odour from Southern Landfill, Wellington	Arrived at site but no odour was present. Met with complainant who confirmed odour was no longer present. No further action.	5	0
9990	20/10/00 11:20:00	Smoke and odour emission from site in Kingsford Smith street.	Objectionable odour confirmed. Source confirmed. Under investigation.	1	0
10007	20/10/00 11:35:00	Offensive odour from nearby asphalt plant, Tawa.	Light Bitumen odour detected at the end of Turriff Crescent but was not considered to be objectionable.	57	0
9991	20/10/00 11:40:00	Offensive odour from nearby asphalt plant, Tawa.	Light Bitumen odour detected at the end of Turriff Crescent but was not considered to be objectionable.	58	0
10008	20/10/00 11:42:00	Offensive odour from nearby asphalt plant, Tawa.	Light Bitumen odour detected at the end of Turriff Crescent but was not considered to be objectionable.	59	0
10029	20/10/00 12:00:00	Chemical smell coming from a stormwater drain.	Several drums of possibly toxic and dangerous chemicals found adjacent to drain. Drums have been subsequently removed.. Under investigation	1	20
10009	20/10/00 14:10:00	Offensive odour from nearby asphalt plant, Tawa.	Complaint not investigated. Logged for records.	60	0
10011	20/10/00 14:20:00	Offensive odour from nearby asphalt plant, Tawa.	Complaint not investigated. Logged for records.	61	0
10010	20/10/00 15:34:00	Offensive odour from nearby asphalt plant, Tawa.	Complaint not investigated. Logged for records.	62	0
10018	21/10/00 15:43:00	Smoke and odour from restaurant affecting residential property on Webb and Cuba Streets.	Smoke and odour was coming from roof chimney. Both stopped shortly after arrival. This was confirmed by complainant. White smoke was coming from chimney and wind carried it toward adjacent high-rise apartment balconies though smoke had dissipated enroute. Owner agreed to replace the filtering medium on the next workday. Unable to confirm odour at complainant's address because he had gone.	1	2

## Incident Summary for 25 September until 4 November 2000

Attachment 1 to Report 00.798

Page 7 of 10

Complaint Number	Date & Time	Complaint	Summary	Alleged Source Count	First Response (mins)
10019	21/10/00 17:30:00	Fire Service reported petrol spill on Curtis Street at Chaytor Street, Karori.	Residential vehicle gas tank drained onto road and into stormwater drain. Mike Janes, WCC Emergency Management Office Dangerous Goods Officer contacted and arranged for WCC contractor to clean the sump of petrol. Estimated 30 - 40 litres of petrol spilled. Strong odour at sump. No further action.	1	45
10021	21/10/00 18:30:00	Illegal dumping of bitumen waste onto residential land.	Discharge complies with Regional Plans. Passed to HCC to determine if this complies with subdivision / land use consents.	1	1232
10022	22/10/00 12:43:00	Animal guts dumped into Wainuiomata River.	Complainant witnessed two men dumping animal guts into river. Complainant said he had contacted Police who he said spoke with the two men and explained that this type of dumping was not lawful. Only traces were visible on inspection.	1	2
10023	22/10/00 17:40:00	Odour complaint from nearby asphalt plant.	Odour abated within several minutes and before investigation could be conducted. No further action.	63	5
10026	23/10/00 09:50:00	Sewage overflow into Korokoro Stream, Belmont Regional Park, Cornish Street entrance.	Sewage spill on far side of walk bridge at Cornish Street entrance coming from manhole and affecting about 3 square metres around the end of the bridge. No evidence of Stream contamination. Referred matter to HCC contractors for cleaning and disinfecting.	1	10
10027	23/10/00 12:45:00	Steel drum on side of Stream bank.	A 200 litre drum was lying on it's side on the bank of the Korokoro Stream in Belmont Regional Park. The drum was rusty, empty and had flammable liquid stickers on it's side. Notified Regional Park ranger for removal.	1	5835
10028	23/10/00 15:50:00	Dead seagulls on the south end of Porirua Beach.	Complainant stated that 5 dead gulls and about 30 dazed gulls were spotted on the south end of the beach. No evidence of a discharge. Referred to Public Health Service. No further action.	1	5
10050	24/10/00 09:00:00	Child experienced burning sensation while swimming at Plimmerton Beach.	Regional Health contacted and site investigated. No sign of any pollution sources. Possibly a reaction to jellyfish stings.	1	15
10095	24/10/00 09:00:00	Cleanfill dumped in a gully, Kelson.	Hutt City Council working with landowner to resolve stability and amenity issues.	1	4740
