Tranz Rail Limited Private Bag Wellington New Zealand

'ranz Rail

7 June 2002

Barry Leonard Manager, Customer Services and Quality Wellington Regional Council PO Box 11-646 Wellington

Dear Barry,

## TRANZ METRO FARE INCREASES

As you are aware Tranz Metro is increasing passenger fares on its rail services.

This letter is to formally advise you that we will be introducing the new fare schedule, enclosed with this letter, on July 1 2002.

The average increase will be 9% across our fare structure. However, because we have simplified the fare structure there will be some variation in individual fares. All fares have been rounded to the nearest 50c.

This is the first time Tranz Metro has increased its fare schedule since 1996, when a 4% increase was introduced. Since that time the company has carried increased operating costs, particularly the costs of fuel and wages.

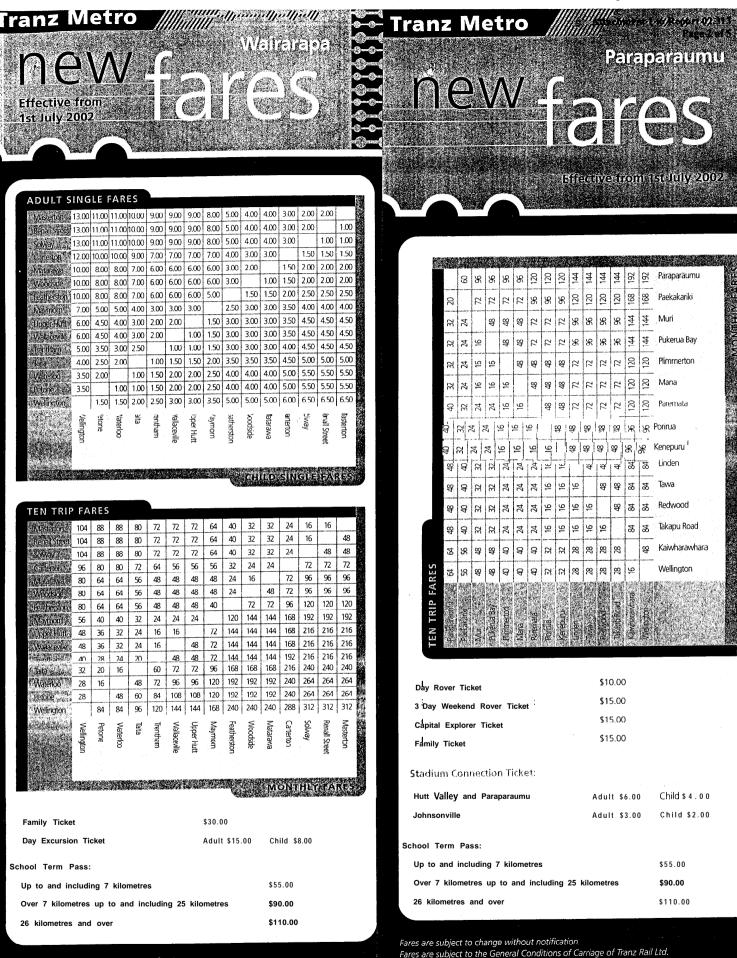

If you have any questions regarding the fare increase please contact me.

Yours sincerely,

Ross Hayward National Passenger Manager
