File Reference	Name	Site Name	Purpose Description	Activity Type
WGN040209	A Dixon	An unnamed tributary of Wainuiomata River	To place, use and maintain a pipe in an unnamed tributary of the Wainuiomata River and carry out associated disturbance of the stream bed.	Structure: General
WGN040295	Best Farms Limited	Best Farm Ltd	To permanently divert and reclaim the beds of unnamed intermittently flowing tributaries of Stebbings Stream.	Reclamation. River/Stream Diversion
WGN040331	Charles & Rose Jelley	144 Weggery Drive, Waikanae	To construct a bore.	Bore
WGN040308	Department of Conservation	Catchpool Stream	To undertake routine operations and maintenance works in the bed of the Catchpool Stream and its tributaries for the purpose of flood protection and erosion mitigation works, including but not limited to: * removal of willows; * planting of native species.	Stream Work
WGN970030	Department of Conservation	Otaki Forks	Cancellation of condition 12.	Agrichemical Discharge
WGN040305	Dhiru Vallabh Family Trust	349-353 Jackson Street	To discharge contaminants up to 100m down gradient of 349-353 Jackson Street. (Benzene, TPH)	Contaminated Site Discharge
WGN040337	Dhiru Vallabh Family Trust	349-353 Jackson Street	To construct two monitoring bores.	Bore
WGN040332	Dux Industries Limited	111 Eastern Hutt Road, Lower Hutt	To take groundwater and to discharge water used for coolant purposes via an existing recharge bore to groundwater.	Take. Sewage Discharge
WGN040320	Foodstuffs (Wellington) Cooperative	Proposed Pak n Save site	To construct five bores for geotechnical investigation purposes.	Bore
WGN040281	Gabites Pigs Farms Ltd	1135 Maymorn Road, Te Marua, U/Hutt	To permanently divert the flow and disturb the stream bed in order to construct, use and maintain a culvert and structures associated with a diversion channel in an unnamed tributary of Blaikie Stream. To discharge stormwater from areas of bulk earthworks to land in circumstances where it may enter water. To reclaim approximately 350 metres of the bed of an unnamed tributary of Blaikie Stream.	River/Stream Diversion. Stormwater Discharge, Reclamation

File Reference	Name	Site Name	Purpose Description	Activity Type
WGN040325	Hillary Keenan	3/63 Cheviot Road, Lowry Bay	To construct and maintain a retaining wall structure in the bed and banks of an unnamed stream, and to undertake associated disturbance of the bed of that stream.	Stream Work
WGN040313	Homecreators	5 Jeannie Way, Waikanae Beach	To construct a bore.	Bore
WGN040285	Hutt City Council	Opahu Stream	To divert water and construct inlet and outlet structures of a pump station in the bed of Opahu Stream, and to undertake associated disturbance of the bed of that stream for flood protection purposes.	River/Stream Diversion. Structure: General
WGN040309	Hutt City Council	Point Howard	To disturb the foreshore to construct, use and maintain a walkway/cycleway structure. To occupy the coastal marine area with that structure, and to deposit excavated material on the foreshore.	Structure: General. Coastal Work/Disturbance
WGN040316	Hutt City Council	Wainuiomata River, Coast Road, Wainuiomata	To undertake erosion protection works to ensure the integrity of the silt pond at the Wainuiomata Landfill, including installation of rock rip-rap and re-contouring the bed of the Wainuiomata River.	Stream Work
WGN040341	Janine Sudbury	97-101 Te Hapua Road, Te Horo	To construct a bore.	Bore
WGN040318	Kapiti Coast District Council	72 Te Moana Road, Waikanae	To construct a bore for public water supply purposes and a bore for groundwater monitoring purposes.	Bore
WGN040298	Mahoney Corporation	1 Herd Street, Wellington	To construct and take groundwater from eight monitoring bores.	Bore and Take
WGN040263	Pauatahanui Golf Club Inc	Little Waitangi Stream, Pauatahanui Golf Club	To, use and maintain a weir and concrete intake structure in the bed of the Little Waitangi Stream, and the associated disturbance of the bed of that stream during the additional works.	Stream Work
WGN040342	Pier Developments	12 - 18 Marine Parade, Paraparaumu Beach	To construct a bore.	Bore
WGN040307	Porirua City Council	13 and 13A Te Hiko Street, Porirua City	To construct, use and maintain a pipe in, and carry out the associated disturbance of, the bed of Takapuwahia Stream.	Stream Work

File Reference	Name	Site Name	Purpose Description	Activity Type
WGN040303	Robert and Karen Curry	166 Mangaroa Hill Road, Upper Hutt	Land use consent to disturb and extract gravel from the bed of the Mangaroa River in order to carry out a permanent diversion. Water permit to permanently divert water.	River/Stream Work and Diversion
WGN040311	Seaview Marina Limited	Seaview Marina	To construct, use and maintain a floating pontoon, and to occupy the coastal marine area with that structure.	Structure: General
WGN040343	Sharryn Vallentine Waters	101 Paetawa Road, Pekapeka	To construct a bore.	Bore
WGN040223	Steamship Wharf Limited	New Union Steamship Bldg Site	To alter the rip-rap reclamation edge at North Queens Wharf to enable construction of a low level deck.	Structure: Hazard Mitigation
WGN040328	T & M Gambitsis	6 Kennedy Place, Waikanae	To construct a bore.	Bore
WGN040286	Terry Doran	346B State Highway 58, Judgeford	To place, use and maintain an erosion protection, including concrete blocks, interspersed gabion baskets, and riparian plantings in the true left bank of the Pauatahanui Stream.	Structure: General
WGN040330	W & M Jones	33 Consort Close, Paraparaumu	To construct a bore for domestic purposes.	Bore
WGN040272	Wellington City Council	Lakewood Reserve	To install rip-rap, gabion baskets and geotextile matting for erosion protection purposes, in the bed of a tributary of Porirua Stream, and to undertake associated disturbance in the bed of that stream.	Stream Work
WGN040301	Wellington City Council	Murchison Street and Domanski	To construct three bores for water level monitoring.	Bore
WGN040317	Wellington Regional Council	Peka Peka Road	To construct approximately 150 bore holes of <3m at approximately 20m centres for the purpose of a geological seismic survey	Bore
WGN040334	Wellington Waterfront Ltd	Queens Wharf, Wellington	To construct a permanent deck and six temporary pontoons in the coastal marine area.	Structure: General
WGN040114	Westfield Meadows Ltd	391 Mazengarb Road, Paraparaumu	To permanently divert the flow and disturb the bed of an unnamed tributary of the Mazengarb Drain for the purpose of placing and maintaining two culverts. To intermittently discharge contaminants to water and to land in circumstances where contaminants may enter the water of an unnamed tributary of the Mazengarb Drain.	River/Stream Diversion, Stormwater Discharge, Structure : General

File Reference	Name	Site Name	Purpose Description	Activity Type
WGN040306	WRC Internal	Environment Co-ordination Department	Coastal permit to occupy and use the coastal marine area with two sediment monitoring devices and associated buoys in the Pauatahanui Inlet.	Occupation
WGN040314	WRC Internal	South roadside, Te Moana Road, Waikanae	To construct four bores for groundwater level and quality monitoring purposes.	Bore
WGN040317	WRC Internal	Peka Peka Road	To construct approximately 150 bore holes of <3m at approximately 20m centres for the purpose of a geological seismic survey.	Bore
WGN040321	WRC Internal	Pakuratahi River	To carry out 60-70 metres of cross blading in the bed of the Pakuratahi River for the purpose of protecting the approach to the Pakuratahi Tunnel on the Rimutaka Incline.	Stream Work
