## Regional Sustainability Committee: draft timetable to December 2009

### 1. Purpose

To present a draft timetable for future meetings of the Regional Sustainability Committee.

### 2. Significance of the decision

The matters for decision in this report **do not** trigger the significance policy of the Council or otherwise trigger section 76(3)(b) of the Local Government Act 2002.

### 3. Comment

I have prepared a draft timetable for the Committee which covers some of Greater Wellington's major "sustainability" initiatives. Although the timing of items may change, it is my intention that the Committee should focus on the subject matter outlined. (*Attachment 1*).

### 4. Recommendation

*That the Committee **approves** the draft timetable.*
