<i>General subject of each matter to be considered:</i>	<i>Reason for passing this resolution in relation to each matter</i>	<i>Ground under section 48(1) for the passing of this resolution</i>
<i>1. CDEM structure for the Region</i>	<i>Information contained in this report relates to proposed amendments to the current structure of Civil Defence Emergency Management in the Region. The report outlines a potential structure which may still be negotiated. The Committee has not been able to identify a public interest favouring disclosure of this particular information in public proceedings of the meeting that would override these prejudices.</i>	<i>That the public conduct of the whole or the relevant part of the proceedings of the meeting would be likely to result in the disclosure of information for which good reason for withholding would exist under section 7(2)(i) of the Local Government Official Information and Meetings Act 1987 (i.e to enable the Committee to carry out, without prejudice or disadvantage, negotiations).</i>

This resolution is made in reliance on section 48(1) of the Local Government Official Information and Meetings Act 1987 and the particular interest or interests protected by section 6 or section 7 of that Act which would be prejudiced by the holding of the whole or the relevant part of the proceedings of the meeting in public are as specified above.

The motion was **CARRIED**.

The meeting came out of public excluded session at 10.30am and closed.
