Raw sub point number	Provision	Support/oppose	Decision sought	Reasons
S4.1	Environmental outcomes	Support	Please do the right thing by our environment, put our children's futures over and above the land owners wishes to have a herd of cattle without protecting our waterways. The people in whitemans valley have plenty of assets to borrow against to protect our rivers. I frequently see cows in rivers in whitemans valley. Enough is enough any responsible land owner should be fencing off rivers.	I want my children to live in a healthy biodiverse world. A world with clean rivers. Limiting herds sizes and protecting rivers seems a basic first step.
